		For sanction		
Whether old village site is to be assessed a new site being granted or whether the new grant is only to extend the old village site.		Authority granting alienation	No. & date of order.	Remarks.
It has been proposed to open a road at the out-skirts of the Dalavai Tank near Tarikere. The proposed road joins the existing country track leading to the several important Coffee Estates situated on the northern slopes of the Kalhatti or Baba-boodan ranges of hills. This country track is very much used by coolies of Coffee Estates, pack asses and bullocks, petty shop keepers and also by the ryots generally. The proposed road passes through mostly occupied lands, the owners of which are willing to part with the extent required, provided they are paid compensation and the proportionate assessment is struck off. The road will be completed partly by municipal funds and contribution from ryots and partly by District funds or other funds. Mr. Meicklejohn, when Deputy Commissioner here, found this road upon inspection very useful. The Jamabandi Officer Mr. Narayanaiengar and I have personally inspected the road. The road will be very useful. The alienation of the lands and the striking off of the proportionate assessment are recommended.
